Bright Shine

Metallised Emulsion Floor Polish

PRODUCT CODE: D3BSP

Product Description

A special metallised emulsion floor polish with outstanding scuff resistance and a deep lasting shine.

This product has powerful anti-slip and anti-static properties.

Suitable for mechanical burnishing and as an undercoat when spray maintenance burnishing is required.

Directions

Wash the floor as necessary to clean and remove all old polish residues.

When the floor is dry, apply the polish with a clean mop or applicator using two coats if required. Allow to dry between coats.

All cloths or applicators should be well rinsed in hot water immediately after use.

Please refer to product safety data sheet before use. Use only as directed.

Maintenance: Spray burnish with 1 in 50 dilution of polish. Damp mop, as necessary, with a dilute neutral detergent solution.

Health and Safety

CHIP Classification: This product is not classified as dangerous under CHIP regulations.

S24/25 Avoid contact with skin and eyes.

S2 Keep out of reach of children.

HAZARDS IDENTIFICATION

CHIP Classification: This product is not classified as hazardous under CHIP regulations.

EYE HAZARD: Will cause discomfort.

SKIN HAZARD: Prolonged or repeated contact may cause irritation/dryness.

RESPIRATORY HAZARD: Not a hazard in normal use

FLAMMABILITY HAZARD: Not combustible

OTHER HAZARDS: Not applicable

FIRST AID MEASURES

EYE CONTACT: Immediately flush eyes with water, holding eyelids apart, for at least 10 minutes. Seek medical assistance if irritation persists.

SKIN CONTACT: Remove contaminated clothing. Wash skin with using a proprietary skin cleanser. Seek medical attention if irritation persists.

INHALATION: Not applicable.

INGESTION: Do not induce vomiting. If conscious, give water to drink. Seek medical assistance immediately.

FIRE FIGHTING MEASURES: Not applicable

ACCIDENTAL RELEASE MEASURES:

Small quantities, flush to foul sewer with a large quantity of water.

Large quantities, contain and absorb or pump into suitable containers for disposal.

Observe local authority regulations.

HANDLING & STORAGE: Store in a cool, dry place, protected from frost and away from acids and strong oxidising agents. Store upright in original containers. Shelf life: 12 months in good conditions

EXPOSURE CONTROLS/PERSONAL PROTECTION

These measures are suggested on the basis of general use methods and may not be appropriate to all potential users of the product. The user responsible for carrying out a full risk assessment of their specific processes and systems of work.

EYE PROTECTION: Wear eye protection to BS EN 155 IF if splashing is likely.

HAND PROTECTION: Wear PVC or latex gloves. Exact choice of glove depends on specific risk assessments.

BODY PROTECTION: As necessary to prevent contact.

RESPIRATORY PROTECTION: Not applicable

PHYSICAL & CHEMICAL PROPERTIES

Appearance: Off-White emulsion.

Odour: Characteristic

pH: 8.1 1% in water (typical)

Boiling Point: 100°C

Melting Point: Not Applicable

Flash Point: Not Applicable

Auto-ignition temp: Not Applicable

Explosive properties: Not Applicable

Oxidising properties: Not Applicable

Vapour pressure: 17.5 mm Hg at 20°C

Relative density at 20°C (typical): 1.030

Solubility: Miscible with water

Viscosity: Free flowing

STABILITY & REACTIVITY

Conditions to avoid: Extremes of temperature

Materials to avoid: Incompatible with strong oxidising agents and acids.

Hazardous decomposition products: None Known

TOXICOLOGICAL INFORMATION

Eye Contact: Will cause discomfort.

Skin Contact: Prolonged or repeated contact may cause irritation/dryness.

Inhalation: Not a hazard in normal use.

Ingestion: Moderate toxicity, will cause irritation and damage to gastro-intestinal tract due to acidity.

Long Term: Based on current knowledge, no long term effects are anticipated if used correctly.

ECOLOGICAL INFORMATION

Water based product. All organic ingredients are biodegradable when well diluted.

Volatile organic content 2.5% w/w 25.25 g/l

DISPOSAL

Dispose of surplus product and packaging via a licensed chemical waste contractor.

TRANSPORT INFORMATION

Transport Classification: Not classified.

OTHER INFORMATION

This product should be stored, handled and use in accordance with good industrial practice and in conformity with legal regulations. The information this data sheet is based on the present state of our knowledge and is intended to describe products from the point of view of safety requirements are thus should not be constructed as guaranteeing specific properties. It is for the users to satisfy themselves of the suitability of this product for their own applications.
