Anti Graffiti Sacrificial Coating

PRODUCT CODE: DCL00401

Product Description

A superior wax, water based masonry protector to facilitate graffiti removal by simple hot water pressure washing. Provides a dry, invisible surface which is ultra violet light resistant that will not alter the surface appearance. Reversible and permable allowing the surfaces to breathe.

Directions

Clean surface thoroughly.

Stir well before use (do not thin/dilute)

Apply with a brush or low pressure spray until surface is saturated. Spraying is quickest and provides the best finish.

Can be applied to slightly damp surfaces for re-protection

Two coats are normally required, preferably with 4 hours drying time between them.

Do not apply in temperatures below 5°C

To remove graffiti from the protected surface, pressure wash with a Demon Hot water Pressure Washer.

Re-protect when surface is dry.

Health and Safety

Product risk and safety phrases

S36/37/38/39 Wear suitable protective clothing, gloves and eye/face protection

S26 In case of contact with eyes, rinse immediately with plenty of water and seek medical advice
